# MEMBERSHIP TYPES

ELAA offers four membership types to reflect the variety of services in the early learning sector.

Membership of ELAA is held by the service provider or managing entity, which signs up on behalf of, and for their organisation (this can include multiple sites).

## EYM MEMBER

The membership category for early years management organisations that manage multiple early childhood sites.

## INDEPENDENT MEMBER

The membership category for community managed kindergartens, long day care and other not-for-profit operated providers.

## SUBSCRIBER MEMBER

The membership category for privately operated organisations including those that operate long day care, occasional care, funded kindergartens programs in long day care, OSH care and those linked to independent schools.

## ASSOCIATE MEMBER

The membership category for organisations, groups, suppliers and individuals with an interest in or association with the early childhood sector.
