

Wellbeing Support Service

Always looking
after others?
What about you?

The Wellbeing Support Service is available to Early Childhood Professionals, to **help** them **manage their mental health** and **wellbeing**. If you are experiencing **workplace stress and anxiety**, confidential help is available.

Am I eligible?

Available to employees who do not have access to Employee Assistance Program services

** If you are under the VECTEA 2020, please contact your service provider directly to access EAP support*

Key features:

- An **experienced and qualified allied health professional** will support you whilst you use the service
- Access up to **4 funded telehealth appointments** with a psychologist
- Appointments can be **after hours and in languages other than English** (*subject to availability*)
- **Confidential service** - your details will not be provided to your employer or WorkSafe

WE ARE HERE TO SUPPORT YOU.
