

For colour crazy kids.

Bring out their creativity with the widest range of washable, non-toxic Kadink paint.

Officeworks 
make bigger things happen

Inspire their creativity with Kadink paint.

Exclusive to Officeworks, the Kadink paint range is washable and non-toxic, so the children can have fun, get messy and let their imaginations run wild.

Available in 2 or 5 litre bottles, Kadink paint comes in 12 vibrant colours ready to inspire budding young artists.

Kadink paint is proudly Australian made. Every batch is tested by an in-house chemist for safety and quality, with samples retained for 2 years.

One-stop school shop.

From classroom supplies to furniture for the school office, we stock over 40,000 office, stationery and education items.
