

# Professor Sharon Goldfeld

## Paediatrician and Director

---

Professor Sharon Goldfeld is a paediatrician and Director, Centre for Community Child Health (CCCH) the Royal Children's Hospital, Co-Group leader of Policy and Equity, and Theme Director, Population Health at the Murdoch Children's Research Institute.

Sharon has a decade of experience in state government as a senior policymaker in health and education including Principal Medical Advisor in the Victorian Department of Education and Training. Her research program is made up of complementary, synergistic and cross-disciplinary streams of work focused on investigating, testing and translating sustainable policy relevant solutions that eliminate inequities for Australia's children.

As an experienced policymaker, public health and paediatric researcher she aims to ensure ongoing effective, rapid translation of research into the policy and service arena.
